OVERVIEW

Martin Seaward is an accredited mediator specialising in resolving personal injury, pension and housing disputes including landlord and tenant. He also specialises in the Fire Service and is instructed in many of the most serious cases affecting the health, safety and pension rights of operational firefighters.

Martin further specialises in similar claims on behalf of service personnel or their bereaved dependents, usually against the Ministry of Defence. Martin has a significant caseload of serious brain and spinal injuries. In addition to firefighters and service personnel, his clients include pension fund trustees and administrators and fire and rescue authorities.
